Before there were lightbulbs people used candles. Connect the dots to complete the candle.

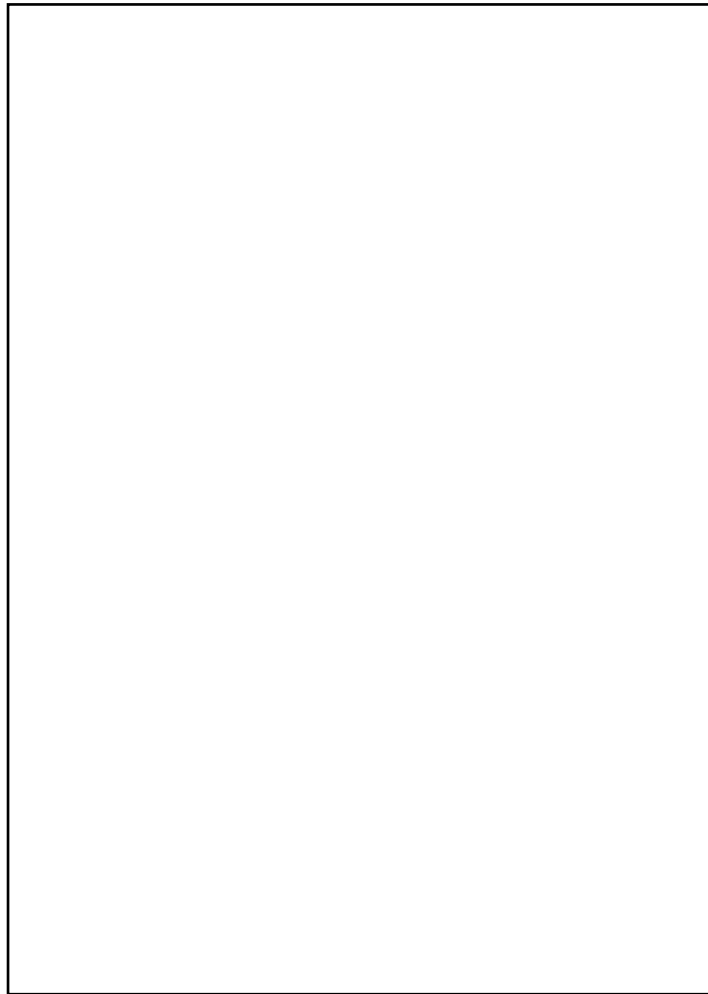

Can you find your way from one side of this light bulb to the other?

Kids Activities – Colour, Look and Learn!

There are many beautiful woven patterns in the tāniko borders of the korowai painted in the Māori portraits. Design your own repeating pattern in this box.

There are lots of different kinds of portraits on display in *Romancing the Collection*. Fill in the details to create a portrait of someone who inspires you. Design a frame for your portrait too.
