

# MAKE: RECYCLED CRAFTS!

**KIA ORA! MARINA HERE. I HEARD YOU MIGHT HAVE SPARE PAPER ROLLS AT HOME SO WHY NOT PUT THEM TO USE?**

## LET'S MAKE A MERMAID

### WHAT YOU'LL NEED

RECYCLED PAPER ROLL, SCISSORS, GLUE, PENCIL, RULER, COLOURED PAPER, COLOURED PENS

### STEP 1: GET CRAFTY

- DRAW A FACE ON THE ROLL
- MAKE HAIR – CUT ONE LONG PIECE WITH A FRINGE AND SEPARATE STRAIGHT PIECES FOR HAIR (ROLL THESE AROUND A PENCIL TO MAKE THEM WAVY)
- MAKE A STAR TO DECORATE THE HAIR.
- MAKE A TAIL AND MATCHING SKIRT – CUT OUT A SHAPE OF A TAIL AND DECORATE. CUT OUT A STRAIGHT THICK PIECE FOR THE SKIRT AND DECORATE THE SAME WAY AS THE TAIL.
- FOR THE TOP – DRAW AND CUT OUT SHELLS AND CUT A THIN PIECE OF PAPER TO USE AS A STRAP.

### STEP 2: ASSEMBLE

- PASTE THE SEPARATE PIECES OF HAIR BEFORE THE LONG PIECE WITH FRINGE. PASTE STAR ON TOP.
- PASTE THE LONG STRAP IN THE MIDDLE OF THE ROLL THEN PASTE THE SHELLS ON TOP.
- PASTE THE SKIRT AT BOTTOM OF THE ROLL, THEN PASTE THE TAIL FROM THE BACK.

**NOW YOU'VE MADE A MERMAID, MAKE MORE MERMAID FRIENDS!**
