

# MAKE: RECYCLED CRAFTS!

LET'S MAKE A SAILOR

KIA ORA! MARINA HERE. I HEARD YOU MIGHT HAVE SPARE PAPER ROLS AT HOME SO WHY NOT PUT THEM TO USE?

## WHAT YOU'LL NEED

RECYCLED PAPER ROLL, SCISSORS, GLUE, STAPLER, FABRIC, COLOURED PENS

## STEP 1: GET CRAFTY

- DRAW A FACE ON THE ROLL.
- CUT A SQUARE PIECE OF FABRIC FOR THE HAT.
- MAKE THE OUTFIT - CUT A STRAIGHT WIDE PIECE OF PLAIN PAPER. DECORATE IT USING STRIPES OR SEA SYMBOLS SUCH AS ANCHORS.

## STEP 2: ASSEMBLE

- FOR THE HAT, FOLD THE SQUARE FABRIC INTO A TRIANGLE. WITH POINTY BIT FACING UP, PLACE IT AROUND TOP OF THE ROLL AND STAPLE TO THE BACK OF ROLL. TUCK THE TOP OF THE FABRIC A LITTLE INTO THE TOP OF THE ROLL.
- PASTE THE OUTFIT ONTO THE ROLL. MATCH THE BOTTOM OF YOUR DECORATED PAPER TO THE BOTTOM OF THE ROLL.

NOW YOU'VE MADE A SAILOR, MAKE SOME MORE TO FORM A CREW!
