### Water

To reduce the use of single-use plastic, we no longer sell bottled water. Help yourself to our chilled water fountains available at all cafés, or purchase an Auckland Zoo reusable bottle.

### Hot drinks

We no longer offer single-use coffee cups. Instead, we have a reusable cup lending system. Here's how it works:

Order your coffee and pay \$3 bond for a cup.

Return it, get your \$3 back.

OR donate your \$3 refund to our Conservation Fund.

We are a not-for-profit organisation that is part of a global network of zoos, which are focused on conserving the world's wildlife and wild places.
